This FSG must be read in conjunction with Part Two as it forms part of this FSG. It provides detailed information about your Adviser such as their contact details, referral sources and the types of financial products they can advise and deal in.

Please retain both Part One and Part Two for your reference and any future dealings with Wealthsure.

What other documents might you receive?

You might receive the following documents to help you make an informed decision on any financial strategy or recommended financial product.

Advice Documents

All personal advice provided to you will be outlined in a Statement of Advice (SOA), Record of advice (ROA) or other forms of documentation.

The SOA is used for initial advice and will contain the commissions and information on relevant associations.

Where further advice is provided to you that does not involve a significant change your Adviser may provide an ROA. Where there is a significant change you will be provided with an SOA.

Product Disclosure Statement (PDS)

You will receive a PDS if your Adviser has provided advice on a particular product. The PDS will contain the information you need in order to decide whether the financial product is appropriate for you.

Who is Wealthsure?

Wealthsure conducts business through a network of financial Advisers who are appointed as Authorised Representatives under Wealthsure's AFSL.

Where Wealthsure has appointed a corporate entity as an Authorised Representative, representatives of that company who give advice will also be authorised by Wealthsure.

Who is your Adviser?

Wealthsure's Advisers act for you and not for any life insurance company, fund manager or bank.

How will you pay for the services provided and what do they cost?

As the provider of professional services, your Adviser will charge for the advice and services they provide to you. Depending on the services you require, your Adviser may charge by a variety of methods. Below is a guide as to how fees and commissions may be charged. Specific information on your Adviser's fees and charges can be found in Part Two of this FSG. All fees and charges will be disclosed in the SOA, ROA and/or PDS.

Your Adviser will discuss both the rate and method of payment with you before any financial services are provided, and will confirm any ongoing fees payable and the related services with you, each year.

Fee for Service

We may charge a fee for the provision of advice and/or implementation of recommendations. Depending on your circumstances and the complexity of the work involved, this fee may be a fixed dollar amount, a percentage rate based on the value of your proposed investment portfolio, an hourly rate for time spent providing the services, or a combination of these.

Commission

Commissions may be paid from a product provider to Wealthsure and are at no additional cost to you. Product providers may pay Wealthsure commission in association with the placement of the recommended products. Generally the initial commission will be paid at the time you obtain the financial product with ongoing commissions paid during the life of the product.

Referrals

If you are referred to a third party provider, the provider may pay your Adviser a referral payment. Likewise, if you have been referred to your Adviser, we may pay the referrer a fee.

Details of the payment will be disclosed in your Statement of Advice. Referrer fees are at no additional cost to you.

Please refer to Part Two of this FSG for details on your Adviser's current referral arrangements.

How are Wealthsure and your Adviser paid?

Except for your investment funds and policy premium payments where these are paid directly to the product provider, all payments are payable to Wealthsure.

Wealthsure will retain between 0% and 15% of these payments and forward the balance to your Adviser. For example, if Wealthsure receives \$100 in fees from a product provider Wealthsure may retain \$15 and forward \$85 to your Adviser.

Your Adviser may also pay Wealthsure a fixed monthly administration fee for providing business support services, and is at no additional cost to yourself.

What other benefits may product providers give to Sentry or your Adviser?

Some product providers may pay Wealthsure allowances which are at no additional cost to you. These are payable to assist Wealthsure with business development, marketing, education, training and professional development expenses for its Advisers.

Wealthsure may receive up to 0.20% per annum from certain platform providers and fund managers based on the level of investments placed with them. For example, if you invested \$10,000, up to \$20 per annum may be paid to Wealthsure.

In certain restrictive circumstances, Wealthsure may receive benefits in the form of an additional payment of up to 25% per annum from insurance providers based on the amount of premium paid to them. For example, if you paid \$1,000 in premium for an insurance policy, up to \$250 may be paid to Wealthsure.

Some product providers may give Wealthsure or your Adviser other benefits such as entertainment or sponsorship. Both Wealthsure and your Adviser maintain a Register in line with industry standards to document any benefits received.

You have the right to request for further information in relation to the remuneration, the range of amounts or rates of remuneration, and other benefits received by Wealthsure and/or your Adviser.

The information obtained will be assessed by your Adviser to assist them in providing appropriate advice.

You have the right to withhold personal information, but this may compromise the effectiveness of the advice you receive.

You should read any warnings contained in the client questionnaire and advice documents carefully before making any decision relating to a financial strategy or product.
