Fee for Service

- **Fee for service** - We charge a fee for the production of a Statement of Advice, which includes all of the research, planning, recommendations and product of the SOA. The dollar amount is subject to the complexity of the advice being provided. Most plans will have a SoA fee of between \$550 and \$4,400. But more complex plans will be more expensive, but the cost will be outlined to you before work on the Statement of Advice begins.
- **Implementation fees** - For more complex implementation procedures, we may charge an implementation fee. This will usually range from \$0 to \$2,200, but will be discussed during an initial meeting and detailed in your Statement of Advice.
- **Transaction fees** - There may be some transaction fees for implementing your investment and superannuation advice. For share trades, these might be \$0 up to \$110, or for other transactions, 0% up to 2.2%. These will be detailed in your Statement of Advice, if applicable.
- **Ongoing service fees** might either be charged as a % of assets under advice p.a. which generally range from 0% p.a. to 1.65% p.a. (excluding investments using geared funds). For example, if we charge a 1% ongoing service fee p.a. and you invest \$100,000; your ongoing service fee will be \$1000 p.a. (assuming no change in value of the amount invested). In some cases a percentage fee of assets under advice may not be applicable in which case a flat dollar fee, generally in the range of \$200 to \$2,000 per month, may be charged.
- **Hourly Rates** - We may charge an hourly rate for the services we provide. For services provided by Ian the rate will be up to \$250 ex gst per hour and for administrative and Paraplanning services the rate may be up to \$110 ex gst per hour.

Depending on your requirements and circumstances the above range of fees may not be applicable, we will work with you to come to a separate arrangement where we will disclose any relevant fees prior to commencing any work.

You will be invoiced directly for these fees and may elect to pay Wealthsure directly or have these fees deducted from your investments.

Commission

Product providers may pay a commission directly to Wealthsure for some financial products.

Commission payments may be either initial or ongoing. Initial commissions are generally a once off payment made when new business is placed or additional contributions are made to a financial product. Ongoing commissions are paid whilst you hold the product.

Where possible we may agree to refuse to receive these commissions, rebate these commissions to your account, or use the commissions to offset some or all of your agreed fee for service.

Initial commission may be up to 66% of the initial annual premium. Ongoing commission may be up to 50% of the ongoing annual premium.

Should you cancel an insurance contract within the first two years the Adviser reserves the right to invoice you an amount equal to the costs they have incurred as a result of the provision of financial services to you.
